The Rotary Club of Front Royal delivered 145 boxes of food to needy families through its Doc Smith Christmas Basket Program. On Friday, December 22nd volunteers from the Rotary Club helped pack up donated food items into gift boxes that were either picked up or delivered on Saturday, December 23rd.

According to Doc Smith Committee Chairman Bret Hrbek, "The goal of the Doc Smith Christmas Basket Program is to provide basic food staples to families in need in the community to make sure that they can have a traditional Christmas dinner. This year the Club, in partnership with the Warren County Department of Social Services, was able to add 123 winter coats through the Coats for Kids program to provide to children of the recipients." According to Mr. Hrbek, the addition of coats is a return to the origins of the Doc Smith program where, in addition to food, the recipients were provided clothes and toys as needed.

The Doc Smith Baskets included the following items:

- *Ham*
- *Bread*
- *Stuffing Mix*
- *Jelly*
- *Bag of Flour*
- *Bag of Sugar*
- *Canned Vegetables*
- *Miscellaneous Items*

The Doc Smith program has been a long-standing program in Front Royal. It was originated by Edgar C. Smith, Chief of Police, in 1916 who was most commonly referred to as Doc Smith. The program was named after him based on his continued service to the needy. This program typically services 100-175 families throughout Warren County. A local Sorority (Psi Master Chapter of Beta Sigma Phi Sorority) had coordinated this program for approximately 30 years (1973-2003). The Sorority approached the Front Royal Rotary Club in 2003 about the possibility of taking this program over, and the Club gladly did so.
